Ian K. MacDonald

Ian began playing at the age of eight years old and was taught by his father, P/M John MacDonald.

At thirteen he received piobaireachd instruction from Jim McGillivray. That same year he joined the Toronto Police Pipe Band where he has remained a member, eventually taking over as Pipe Major from his father in 1996.

In 2016 Ian became the twelfth piper in history to win the "Double" Gold medal in Piobaireachd at Oban and Inverness.

Fred Morrison

Combining the Gaelic piping tradition of the Uists with contemporary influences, Fred has carved an international reputation on the Highland, bellows blown, and uilleann pipes and the low whistle with a powerfully exuberant, highly improvisational style.

His prowess on the Highland pipes gained him honors including the Gold Medals at Oban and Inverness, and the prestigious Macallan trophy at Brittany's Lorient Celtic Festival no fewer than seven times.

Voted 2004's "Instrumentalist of the Year" by the Scots Trad Music Awards, Fred's stature as a musician was recognized by Glasgow's Celtic Connections festival in 2005, when he was commissioned to write the grand opening composition.

Ken Eller (Qualifying Round)

Ken Eller, also known as "The Captain", has had a 50 year piping career... 15 times a winner of the North American Pipe Band Championships with two bands: the 78th Fraser Highlanders and the Clan MacFarlane Pipe Band. He is now retired from active competition and has expanded his teaching career with on line lessons. In 2005 he was accepted by the Royal Scottish Pipe Band Association (RSPBA) to their panel as an international adjudicator.

Terry Tully (Qualifying Round)

An award-winning piper in his own right, Terry is best known at the Pipe Major of the St. Laurence O'Toole Pipe Band. With Terry at the helm, in 2008, the band won the Scottish and British Championships, and was runner-up in the European and Cowal Championships and placed 5th overall at the World Championships, winning the Champion of Champions in Grade 1. In 2010, the band's 100th year, the band won the World, European and All-Ireland Championships.

Terry has authored several widely-acclaimed books of traditional Irish Music arranged for the Highland bagpipe, and his name has become virtually synonymous with traditional Irish Music in the world of bagpipes.

Colin MacLellan (Final Round)

Colin MacLellan is the Director of Piping at the College of Piping in Glasgow. Starting as Pipe Major of the 1986 Grade 4 Glengarry Pipe Band, he led the band to the 1996 Grade 2 North American and US Championships; the band was promoted to Grade 1 the following year. He was appointed Pipe Major of Edinburgh's storied Lothian and Borders Police Pipe Band in 1999, serving to 2004. He served as President of the Competing Pipers Association from 1999 – 2004, and is featured on Lismor Recordings' "World's Greatest Pipers" volume 11. He is a member of the Spirit of Scotland Pipe Band.

Richard Parkes, MBE (Final Round)

Richard has been Pipe Major of 11-time World Champion Field Marshal Montgomery Pipe Band since 1981, making history by leading FMM to become the most successful pipe band ever to come from Northern Ireland. Richard was honored with an MBE from Her Majesty The Queen in 2004 for recognition of his services to pipe band music in Northern Ireland. Although Richard has always put the band first, he also managed to win 7 All Ireland Senior Solo Championships, eight Northern Ireland Piper of the Year titles, nine Ulster Senior Championships, as well as winning the Strachan in London, the Jig in Inverness and a number of other prizes at major solo competitions.

“I have owned my full silver set of McCallum Bagpipes since 2004 and have played these along with the McC² Solo Chanter for a number of years. I won the Silver Medal with them in 2006 and won the Gold Medal at the Argyllshire Gathering in 2011. The pipes are bold, melodic and easy to set up, and lock in really well, giving me the confidence that they won’t move during a long piobaireachd. Such is my confidence in the bagpipe, I now play a separate set in Inveraray Pipe Band.”
