The Epic Project

Susan Rose, Richard King

This is a speciality session in 2017 to introduce players, teachers, parents and those interested about an exciting program out of California. Initiated by kilt maker Susan Rose and motivated by PM Richard King, each year this charitable group will sponsor a young piper or drummer to further their education by outfitting them with a custom made uniform and supplying instruments to suit - no strings attached. Former recipients include the 2016 George Sherriff Invitational Champion Austin Diepenhorst who will be on hand to demonstrate and assist with the video presentation. All those interested, are invited to attend on **Saturday afternoon at 1 pm.**
